Dismissal from a Trip

The trip leader has the full discretion to ask you to leave a trip if the trip leader feels that your further participation may be detrimental to you, the trip, or to other participants on the trip.

If the Trip is Cancelled

Not that we expect this to happen, but, if MyHikingVacations has to cancel a trip, we will fully refund any payments you have made. Please note that our responsibility is limited solely to the payments you have made. MyHikingVacations is not responsible for the refund of airline tickets or any other purchases you make in association with the trip.

Emergencies/Insurance

Your hiking guide will attempt to provide appropriate first aid or other assistance in case of accident or illness. Please note, however, that evacuation services (including helicopters) can be very expensive. MyHikingVacations does not provide coverage of this nature for its participants. We therefore suggest you obtain medical and evacuation insurance, which is often offered as part of a travel insurance package.

Your travel insurance should cover cancellation fees and other non-recoverable expenses you might incur if you to cancel your trip, as well as any other medical expenses you might incur.

Photographs taken by MyHikingVacations during your trip may be used for marketing purposes. Please notify the trip leader if you do not wish your image to be used in this manner.
